Subject: **Calscience Work Order No.: 02-06-0605**
Client Reference: **Boeing**

Dear Client:

Enclosed is an analytical report for the above-referenced project. The samples included in this report were received 6/17/2002 and analyzed in accordance with the attached chain-of-custody.

Unless otherwise noted, all analytical testing was accomplished in accordance with the guidelines established in our Quality Assurance Program Manual, applicable standard operating procedures, and other related documentation. The results in this analytical report are limited to the samples tested and any reproduction thereof must be made in its entirety.

If you have any questions regarding this report, please do not hesitate to contact the undersigned.

Sincerely,

Calscience Environmental
